

# DSC Logistics

**DSC Logistics**, a third-party logistics company, is a leader in transforming logistics and supply chain management into a critical business strategy based on collaborative partnerships, innovative thinking, and high-performance operations. Led by CEO Ann Drake, the first woman to receive CSCMP's Distinguished Service Award, DSC partners with Fortune 500 and other dynamic companies, primarily in the CPG and Health Care space, by designing, integrating, managing and adapting customized supply chain solutions.

The company's capabilities, as a Lead Logistics Partner (LLP) and third-party logistics provider (3PL) include supply chain analysis and design, network optimization and management, Logistics Center management, transportation management and consolidation, business process integration, supply chain visibility and value-added services.

DSC's mission is to achieve customer business goals by managing change and information in the supply chain.
